Mr. William Simmons, Executive Officer  
California Air Resources Board  
1709 - 11th Street  
Sacramento CA 95814

JUN 16 1975

Dear Mr. Simmons:

By separate letters dated May 23, 1975, you were notified that EPA was delegating authority to implement and enforce the standards of performance for new stationary sources (NSPS) and national emission standards for hazardous air pollutants (NESHAPS) to the State of California on behalf of the Bay Area Air Pollution Control District and the Monterey Bay Unified Air Pollution Control District. The purpose of this letter is to amend each of the aforementioned letters of delegation by adding a new condition (number 10).

Condition 10 as added to the May 23, 1975 letter of delegation on behalf of the Bay Area District reads as follows:

10. As of the date of this delegation, sources subject to the NSPS and NESHAPS located within the Bay Area Air Pollution Control District are required to submit all reports pursuant to the NSPS and NESHAPS directly to the Bay Area District. Such sources are no longer required to submit reports to Region IX, EPA.

Condition 10 as added to the May 23, 1975 letter of delegation on behalf of the Monterey Bay District reads as follows:

10. As of the date of this delegation, sources subject to the NSPS and NESHAPS located within the Monterey Bay Unified Air Pollution Control District are required to submit all reports pursuant to the NSPS and NESHAPS directly to the Monterey Bay District. Such sources are no longer required to submit reports to Region IX, EPA.

Condition 10 is being added to each letter of delegation pursuant to 40 CFR 60.4(b) and 61.4(b), which state that each specific delegation of the NSPS and NESHAPS may except sources from a certain Federal or State reporting requirement. The effect of condition 10 is to relieve sources in the Bay Area District and Monterey Bay District subject to the NSPS and NESHAPS from the responsibility of submitting duplicative reports pursuant to the regulations to both the appropriate air pollution control district and to EPA.

These amendments are effective immediately. If the Air Resources Board objects to these amendments, please notify me within 10 days of the date of receipt of this letter.

Sincerely,

Shella M. DeFalco
